**1x1**  
SQUARE TUBE

**COLOUR OPTIONS  
AVAILABLE:**

The 2W Small Animal Series Light Duty Pens are popular for fair grounds, exhibition centers, and at home use. The primary use is to hold hogs, goats, and other small livestock and these panels are post-less making them easy to set up and take down. Specific design features such as minimal spacing between vertical rails discourage animals from sticking their heads through or scaling the rails - as goats are fond of doing. The Small Animal Series Light Duty Pens offer small livestock handlers a high quality, lightweight, and easy to set-up pen system.
